 Save the Date: All Catholic School's Mass will be Friday, February, 2, 2018. If you would be able to drive students to Tri-Cities Prep for Mass, please let your student's teacher know. Due to a change in the Ben Franklin Transit Company policies, it is not conducive for us to use the bus system for fieldtrips. More information will come home to you in the near future. Thanks so much!

 Please mark your calendars and plan to attend the "Winter Ball". This is a wonderful fun-filled family event.

 **Winter Weather Reminder:** SJS will follow Kennewick School District's closures and delayed starts. For the most up to date information, look on the KSD website: www.ksd.org. Messages will also be announced on TV, radio stations in the area and on our SJS Facebook. If you'd like to receive emails, texts or notices through the Flash Alert app you can go to:

<https://www.flashalert.net/id/StJosephsCatholicSchool>

You can download an app that will help your phone receive Flash Alert notifications.

When St. Joseph's School has a 2 hour delay, the **Children's Center will open at 8:00am**, instead of 6:00am. When there is a 2 hour delay there will be no **AM Preschool**, there will be **PM Preschool**. Be sure to continue listening as sometimes the delays turn into closures. Thank you!
