- 19th No School - President's Day

 A Science Olympiad Note from Mrs. Valiant: Please keep St. Joseph's Science Olympiad Team in your prayers this weekend. We are participating in the SE Washington Regional Conference taking place at Yakima Valley Community College on Saturday, February 10. The team is comprised of 15 middle school students. This year the competition includes 24 different categories, each student will participate in 3-4 events. Events cover all science disciplines. Events are divided between written tests, lab challenges and engineering devices designed, built and tested by the students.

 Do you happen to have cute school pictures of different school events that you would be able to share with the school yearbook?

If you have pictures, please email them to: yearbook@stjoseph-kennewick.org

 The Scholastic Book Fair is coming. We will open the fair for Open House Sunday, Feb.11 at 10:00 in the school library. Watch for signs outside. The fair will be open for one hour after school each day from Feb.12-16th. If you are not able to attend, you can order books online at: <http://www.scholastic.com/bf/stjosephschool95>. Orders are shipped directly to the library, pre-bagged with your name attached. There is FREE SHIPPING.

Hope to see you at "Paws for Books".

Mrs. Hattemer, Library Teacher

 Reading is the Ticket! Students, remember to read 10 hours by March 2, 2018 and receive a free Silverwood theme park ticket. For questions please see Mrs. Anderson.

 Register your son or daughter to play baseball at Kennewick National Youth Baseball! Opportunities are available for SJS students to play on the same team in the Coach Pitch and Rookie Division (*please specify in special instructions*). All other divisions are draft only. This is a terrific opportunity to teach your child the "Great American Pastime" and form friendships. For more information see the attached flyer.
