

APRIL NEWSLETTER

Dear Preschool Families,

I don't know about you, but I can't believe that we're already coming in to April! We will have a half day this coming Friday, the 30th and school will resume on Monday, April 9th.

We've enjoyed this month learning about Europe, the true meaning behind Easter and celebrating Lent and St. Patrick's Day! I'm sure many of you heard about the naughty leprechaun coming to visit our classroom! He pulled many tricks, but at least he shared some of his special gold with us!

This month, we'll be focusing more on Easter, new life and Australia. The Monday after spring break, we'll be setting up our incubators to hatch chicks! It will be so much fun to watch the progression of the egg to a baby! The letters we will be going over this month will be B, C & Y. We've officially decided on conference dates and those will be on the 24th and 25th of April. Conference signup sheets will be posted on the door the week beforehand. Again, these are required for our friends moving up to Kindergarten, but all are welcome to sign-up. If your child has a late Spring/Summer birthday, please be on the lookout for an email from me as I'm starting to assign snack dates to celebrate those birthdays. We don't want anyone feeling left out!

We are fast approaching the end of school and with that brings graduation dates and Field Day. Field Day is a wonderful opportunity to get in those last minute volunteer hours, so if you're in need, let me know and I can sign you up! There will also be a Field Trip to the Mid-Columbia Library in May; date TBD.

In case you didn't know, Teacher Melissa has a wonderful page on Facebook outlining her Atrium class. She often puts up fun pictures and information on what they're working on at the time. If you have a social media account, head on over and check her out! The page is titled 'The Atrium at St. Joseph's Catholic School'.

Important Dates:

- | | |
|---|---------------------------------|
| ❖ April 2 nd - 6 th | SPRING BREAK/NO SCHOOL |
